Love

Well I imagine me writing in a yearbook. I mean that I'm in college
I'm supposed to get some material. (SK) I feel really privileged to sign this front page.
you wish a sweet heart I just love you so much. I'm really glad I met you and what you
are means more + forever. I hope you can wait at least 12 weeks before you ring. It
will take me awhile to find a nice diamond. you deserve the best! I bet! I bet! I bet!
get me. (SK)!!! SORTA So it kind seems to be a summer huh? Well before I'll
know it this year will be over. I bet I'll pay cash you down in East China.
I beti where all the cool!! people live. I'm in pretty much there. I mean the bar
really work and there's women every where. But something you I got you'd be
looking at all the guys. You're disgusting. Seriously, I really hope you move down.
I bet I love having you closer. I bet I want to be with you where in the
apartment looking to park the bitch. I got to take a breath for a second.
I'll be out back OK? I'm back. I had a customer to take
care of. Oh and then came another one. Oh well
I had better be signing off pretty quick anyway.
This pen I'm using is gonna burn outa ink
pretty soon and it's the only one I have at the
station. Love the most I love you
Oh! I want to sign it
This is just a warm up!

P.S. It's a hassle working today.
Every time I turn my head
people stare at my neck.
God! Oh well just wait
I'll get you back
in ha ha ha

Foreword

A friendship is a precious thing,
A treasure to hold in your heart,
A way of sharing the joys that life can bring,
And a fortress when your world falls apart.

Good!

Kanan,
I don't really love
to write about you. I
think you know that.
and I happen to be around
you a little less often.
You know that I'm around
around. I'm not around so
much as a person.
^{as} ~~that's~~ "Yes" you go
And

Karen,

I'll try not to write alot but you know me
once I get started I can't stop. This summer
was so full of suprizes hardly any of
them were good but they were suprizes.
Just think you'll be out on that football field
flesing your ass off while I'll be keeping
warm up in the stands with my coat on.
When your cheering for wrestlers I'll be
doing anything else but.

your my only twin sister take care of your-
Self.

Don't Party Too Much if you can help it
but if you see your not having much
fun Do it anyway
Good Luck

your Sis,
Renée

Karen,
 Hey wafy! Remember

Very ugly! Remember when I/we used to call you "Frog Eyes"?! Sorry about that.

But then—I was just an immature
litter kid. But all that's changed.
Right. It took nine years to think
of something to write in here, but
I did it. It's now '84. Didn't ~~the~~ flies
when you're havin' fun. Don't it?

Anyway, you've been a good (not great) sister ever since we know you. (Ha! Ha!)

Give ~~transcribed~~ you w/a lot
of many "stories" (you better keep
them, too). Any time you
need to talk. Give always.
here! (what a burr under, right?)

ill finish that story in
writing just for you, O.K.
Keep cool did!!

Good thing!!!

Do not.

Kari Ann -

So I'm really glad you let me be the first one to sign your yearbook. I'm really glad we were great friends because you are a very special person to me. I really hope you get the best out of life and I hope you decide what you really want. Just remember you have a super fantastic & caring friend at this time. Life may be a bummer sometimes I love you. Take it easy on Terry ~~which~~ which ever you choose. Have a happy future and I hope I'll always be a part of it. Lots of love & luck. Take Care.

In the future don't let Angie dump any more plants over! I hope we'll always be friends, you've got a best friend for eternity and always remember the fun we've had together. Forget the bad times and remember the things we've shared together.

Please don't ever forget me I'll always remember you. You are the best friend I've ever had or want. Best friends are special and you are very special. There always there through good times and bad. Thanks for everything. The next 2 years I hope we'll continue to be very close.

Sometimes we may get on each other's nerves but at the end of those nerves is a lot of love. Take Care.
